On Sunday, October 5, 2025, Wankdorf Stadium in Bern was a hub of inclusion. In collaboration with the Football is More Foundation and BSC Young Boys, the Swiss Football League (SFL) organized its second inclusion tournament. The day was marked by connection, fair play, and the joy of football.

Twelve teams participated, including Special Needs teams from SFL clubs as well as invited teams from Switzerland and abroad. The tournament showcased in an impressive way how football brings together people with and without disabilities.

Three formats structured the program:

- **Special Needs Tournament:** Teams from SFL clubs competed in a sporting competition full of suspense and fair play.
- **Inclusion Matches:** People with and without disabilities played together in mixed teams, fostering mutual understanding and team spirit.
- **Multisport Course:** In addition to football, participants enjoyed movement and fun activities off the pitch.

A big thank you to Football is More for this valuable collaboration and to BSC Young Boys, the event partner, who greatly contributed to the day's success.

The next inclusion tournament of the Swiss Inclusion League will take place on November 16, 2025, at the St. Gallen Athletic Center. All participants are looking forward to another day of connection, joy, and shared experiences.
